Required checklist to obtain a building permit for:

DEMOLITION

- Complete 2 page Application for Demolition Permit
- Land Use Permit (signed and approved by Municipality)
- Include detailed project description
- Site plans (include all existing structures, proposed structure and their distances to all lot lines)
- Worker's Compensation Insurance Coverage Information Form
- Driving instructions

The tearing down or removal of any structure or partial removal of any structure (house, barn, shed, garage, etc.)

"Agricultural" requires a Township Application for Demolition Permit (exempt from CCIS)

Up to 1000 square feet requires a Township Application for Demolition Permit

If over 1000 square feet, CCIS will issue permit if approved

Permit will be good for 6 months from the starting date

- ⇒ After submitting all required documents your application will be reviewed.
- ⇒ CCIS will contact you to let you know if your application has been approved or denied (if applicable).
- ⇒ When the project is approved you will be notified the Building Permit is ready. Prior to obtaining the building permit all charges (i.e. municipality, administrative, inspection fees...) must be paid.
- ⇒ Be advised additional fees may be applied throughout the project for failed or missed inspections.

***Note- All commercial building demolitions require DEP to be notified**

Subdivision:	Lot	Type
Municipality	County	

Description of building or structure to be demolished (use, number of stories):

SITE PLAN REQUIREMENTS

Three copies of a site plan showing the proposed demolition must accompany the application.

Each plan must detail:

- Size and location of all buildings or structures to be demolished, distances to property lines and distances to sidewalks, pavement and curbs where they abut property lines.
- Size and location of any existing buildings or structures that will remain on the site.
- Area to be filled to existing grade and seeded or to be fenced and otherwise protected in anticipation of new construction.
- If applicable, location dimension and construction details for pedestrian protections required in section 3306 of the *International Building Code*.

UTILITIES

Demolition may not begin until all utilities have been terminated. The owner must ensure that all utilities have been properly terminated. Upon completion of the demolition, all debris shall be removed from the premises and the cellar filled and graded to level.

All work, whether or not shown on the construction documents shall comply with the Pa. UCC (IBC and IRC 2006 as referenced). Work not shown will be field checked to determine compliance. Construction documents shall be on site at time of inspection; if not the inspection may be failed, at the discretion of the inspector, for failure to have them available for reference purpose.

Universal Accessibility to all services, goods, events, and functions offered within the Commonwealth of Pennsylvania is a guaranteed civil right. Please review your construction documents to insure that right has not been violated. Basic compliance with all provisions of the standard ANSI A117.1 can help to insure that all of our citizens enjoy access to the goods and services offered within the state. Compliance with the provisions of IBC Chapter 11 and ANSI A117.1 will be field verified and shall be mandatory for receipt of a Certificate of Occupancy. Full compliance with accessibility provisions of the codes is mandatory. Failure to include provisions for compliance on the plan, or in the execution of the work is not an excuse to deny basic accessibility to our citizens.

A list of inspections that probably will be required, based on the permit application and plan submission, can be obtained from the Code Official at the time of permit issuance. Noted inspections may be waived or additional inspections may be required, at the discretion of the Code Official, as deemed necessary in order to insure Code Compliance. Inspection approval must be obtained for the work currently complete before proceeding to the next step of construction listed in order for each trade.

All inspections will be conducted by Commonwealth Code Inspection Service, with the exception of special inspections required by the Pa. UCC and/or IBC Chapter 17, and/or at the direction of the Design Professional; or as otherwise directed by the authority having jurisdiction. Special inspections shall be performed per the Pa. UCC and/or IBC Chapter 17, and/or at the direction of the Design Professional. The applicant or authorized representative must request all regular inspections directly through Commonwealth Code Inspection Service, Inc. with at least 24 hours notice.
