Old Business

Since Mr. Dick Furmanchik submitted the applications for the Community Development Block Program and the County's Affordable Housing Trust Fund there has been no correspondence as to whether we have received any funds.

Keller Engineer's as received a copy of the Wind Mill Ordinance for review and we are waiting for a review response from Keller's

New Business

Mr. and Mrs. John Lear and Mr. Len Turner were here to express concerns on the Varner's dumping trash on their property which is disturbing the quality of life for the neighbors. They have seen Dionne and Dave Varner dumping the trash from a black pick up truck. Kara will contact Allen to look into what constitutes a junk yard in the junk yard ordinance because the debris is construction debris such as siding, shingles, tarps etc. Kara will right a letter of concern and fax it to DEP and we recommend the residents call and write letters of concern to DEP as well to help expedite the process.

Omega Bank and First National Bank merged but there will be no changes in our quality of service.

The supervisors reviewed the Theodore Casselberry planning module and found that the checklists were complete and signed the modules. They will now go for review by
DEP

Rails to Trails contacted the township on the matter of installing a comfort station and would like Catharine Township's approval for putting in this type of permanent restroom. They are willing to attend a meeting if needed. Kara will write a letter and advise them to contact Les Johnson at the Blair County

Sanitation Committee.

Barrie would like to accept stone and patch prices from New Enterprise and Grannas Bros.

As roadmaster Barrie suggested that the Township should consider looking into buying a new truck for roadwork. Barrie is going to look into prices and comparison.

Barrie made a motion was made to pay the bills.

The meeting was adjourned at 7:40 pm.

Respectfully submitted,
