Federal Aviation Administration Federal Regulation – It is an ordinance that needs to be approved. The township needs to let our solicitor know if he needs to go ahead and make the corrections and advertise so we can approve this ordinance. Marc Daniel Isenberg wanted me to call Jamie Klink at the Blair County Planning Commission about this ordinance. Marc Daniel Isenberg said he didn't think we needed to do anything with this ordinance.

Eleanor Harclerode said there will be two audits coming up.

1. Phone Audit on payroll for Workers Compensation with our EMC insurance company. Will have to do a form and fax to them with the information on it. Will go over with the auditor on the phone.

meeting and then any questions could have been answered. Veronica Barroner will ask Christy Haney about coming to out next meeting.

Supervisor Mileage – Ralph F Rispoli said the auditors did some research and said any supervisor can receive mileage for coming to the township building using their personal vehicle. Ralph F Rispoli said if the supervisor is not coming in and has to make a special trip he can get paid. Eleanor Harclerode said she talked to PSATS, and they emailed a copy of the Township Supervisors Handbook and told her that a supervisor can get reimburse for mileage if they are going to a meetings, conferences, institutes, seminars, and schools. But if they are performing their elected supervisory duties of office, they may not receive reimbursement, because the supervisor is already getting compensated.

Working Supervisor Pay – Working Supervisor pay is set by the auditors. Ralph F Rispoli said in the past he was the Assistant Roadmaster. Marc Daniel Isenberg made a motion to appoint Ralph F Rispoli as Assistant Roadmaster, seconded by Kenneth Brenneman. Unanimous The wages still would have to be set by the auditors.

Secretary/Treasurer – A question was asked about the secretary/treasurer if they are allowed to be in the office when auditors are auditing her books. Eleanor Harclerode said she called PSATS and they told her yes and no. PSATS said auditors like when the secretary/treasurer is there to answer questions, but cannot sit with the auditors and help with the actual audit. As long as the secretary/treasurer stays at her desk or computer it's OK, but he or she doesn't have to be here all the time.
